

Title: Praying Hands- Praying for Others

Parents could read the story above to their son/daughter and discuss it. The student could then

- (a) write in each finger and thumb the names of those they wish to pray for.
- (b) In the palm of the hand write a prayer asking God to help those who are suffering from the Coronavirus

Prayer of Intercession

I will pray every day for those who are sick with the Corona Virus and for those who are helping them
