Short Liturgy for Families
Saint Francis of Assisi

DERRY DIOCESAN CATECHETICAL CENTRE

In the name of the Father and of the Son and of the Holy Spirit

God wants us to treat the world with respect and love because God created it for our use and enjoyment. He wants us to develop the world and to share its blessings with all people.

St. Francis was like God in the way he loved Creation. He loved birds; He loved animals wild and tame. He loved fish. He experienced all God's creation as family.

Now we will read and listen to the reading which inspired St Francis to give up all his wealth

A reading from the Gospel of Mark (Mark 10-17-22)

Jesus looked steadily at Rich Man and he was filled with love for him, and he said, 'You need only do one thing more. Go and sell what you own and give the money to the poor, and you will have treasure in heaven; then come, and follow me.' But the man's face fell at these words and he went away sad, for he was a man of great wealth.

The Word of the Lord **Thanks be to God**

Concluding Prayer

Saint Francis was at home in the natural world.
