Thought for the Week

Daily thoughts leading up to the Feast of Christ the King

As we move towards the Feast of Christ the King, we offer a daily reflection using the words of Pope Francis. We invite you each day to

Find some quiet time …

Light a candle…

Still your imagination…

Affirm the presence of God, within and around you…

Read the quote of the day slowly and quietly…

Ask yourself…

What does love ask of me…

Where is love urging me to go…

What answer am I giving Jesus with my life…

Finish by saying… Glory be to the Father and to the Son and to the Holy Spirit, as it was in the beginning, is now and ever shall be, world without end Amen.

Feast of Christ the King
Today Jesus asks us to allow him to become our king. A king who, with his word, his example and his life sacrificed on the cross saved us from death, and — this king — indicates the path to those who are lost, gives new light to our existence marred by doubt, by fear and by everyday trials. But we must not forget that Jesus' kingdom is not of this world. He will give new meaning to our life — at times even put to difficult tests through our mistakes and our sins — merely on the condition that we not follow the logics of the world and of its 'kings'.
