Grace before & after Easter Dinner

Grace Before Easter Dinner

Bless us, O Lord
on this Easter day.
Bless the food we share as we celebrate
your Resurrection.

We thank those who made the food
and all who share this meal.

We remember family members who cannot be with us today, Bless them O Lord. Amen.

Grace After Easter Dinner

We thank you loving Father for what we have eaten together in celebration of your resurrection.

We remember and pray those throughout the world who do not have food today. Amen.
