How to make an

Easter Garden

3

4

You could say that Easter began in a garden. Therefore, a good place for an Easter Garden is outside. You can use a part of your garden if you have one. Or you could set aside a small space near the house- for example- a window sill.

The Easter Garden is a Sacred Space. The garden gives you a place where you can speak to God. You can listen to God. You can place your intentions before God. Set aside a little time every day to pray either alone or with other members of your family.

If you do not have a Bible, write a short bible verse, and place it in the Sacred Space. You could also place your Lenten promises in garden.

You will need

- 1 Basin/container
- 2 Soil (moist)
- 3 Cross/Crucifix
- 4 Tomb
- 5 Flowers
- 6 Greenery
- 7 Candle (battery)
- 8 Stones
- 9 Egg

Pray regularly alone or with members of your family for your own special intentions and for those in need.
