We pray for the poor children of Ukraine  
May God guide them through these horrifying times  
And ease their suffering and pain.  
We pray for the children who have lost their lives  
during this war.  
We also pray for their families and their neighbours.  
We pray for the children who are displaced after fleeing  
their homeland.  
We pray that you may ease their suffering and the suffering  
of their family and friends  
We pray that God will soften the hearts of the aggressors.  
We pray that Ukraine may have peace  
And all this fighting and war will cease  
May your heavenly light shine upon them  
This we ask through Christ, our Lord  
Amen.

### **Saint Mura's NS, Tooban**

We gather together as a class to pray for the people of  
Ukraine in this time of suffering, fear and conflict.  
We especially remember all those who have been injured or  
those who have lost loved ones in this crisis.  
Comfort their broken hearts.  
We pray that you guide those who have been forced from  
their homes or separated from their families as they  
journey in search of shelter and safety.  
We pray for the soldiers who are protecting Ukraine.  
Give them strength, wisdom and courage at this difficult  
time.  
Finally, we pray for guidance for all the world leaders in  
their choices and decisions. May they be able to work  
together so that peace and justice become a reality for the  
people of Ukraine.  
Amen

### **Saint Columb's College, Derry**

Loving and merciful God, you dutifully sent  
your only and beloved Son, Jesus, into this world  
so that peace between all people could be sought.  
We offer this prayer up to You, Heavenly Father,  
so that the children of Ukraine may find  
safety, peace, and love once more.  
Give us strength and love in these times of war,  
so that threatened children may be safe.  
Amen

### **Nazareth House PS**

At this time of need and suffering, we pray for all the  
children of Ukraine, who are struggling, :  
Maybe they had to leave their homes to go to some  
place unknown,  
Or, they had to leave their families,  
To stay safe and far away from all the horrible things  
that are happening,  
Maybe they wake up in the night to hear the bombing  
outside,  
To see their city destroyed, their schools, their  
homes, all burnt down to the ground  
Having to travel far away, to escape this dreadful  
war,  
Maybe they had to leave their friends, that they may  
never see again,  
To have to leave their older brothers or their fathers,  
Or, having to pack up their stuff so quickly, and leave  
their homes,  
Their city, their family and friends,  
Dear God, look after all these children and keep them  
safe.  
Amen
